

FIRST ITEM ON THE AGENDA

**Programme and Budget for 2000-01:
Regular budget account and
Working Capital Fund**

1. Information on the position of 2000-01 income and expenditure as at 26 October 2001 is submitted herewith. Additional information on the position of member States in relation to the receipt of contributions and additional 2000-01 expenditure items approved by the Governing Body is provided in tables in Appendix I. Tables 1 and 2 summarize and give details of member States' contributions for 2001, the amounts received and credited for current contributions and arrears of contributions up to 26 October 2001, and the amounts due as at that date, while table 3 gives details of additional 2000-01 expenditure items approved by the Governing Body.

Budgetary income and expenditure

2. Under the system of Swiss franc assessments combined with forward purchasing of US dollar requirements introduced in 1990-91, contributions received in respect of the current and earlier biennia are accounted for as budgetary income in US dollars at the ILO budget rate of exchange for the financial period, and Swiss franc expenditure is recorded in US dollars at the same rate of exchange. US dollar budgetary income and expenditure figures reported herein accordingly result from the conversion of Swiss franc income and expenditure to US dollars at the 2000-01 ILO budget rate of exchange of 1.53 Swiss francs to the US dollar. Budgetary income and expenditure as at 26 October 2001 were as follows:

	Swiss francs	US dollars
Income		
Assessed contributions for 2000-01	466 163 872	304 682 269
Arrears of contributions from previous financial periods	<u>175 138 684</u>	<u>114 469 728</u>
Total income	641 302 556	419 151 997
Expenditure		<u>387 840 187</u>
Excess of income over expenditure as at 26 October 2001		31 311 810

Contributions of member States

3. Total assessed contributions for 2001 amount to 357,593,093¹ Swiss francs compared with 357,617,804² Swiss francs for 2000. Section I of table 1 indicates that, at 26 October 2001, assessed contributions for 2001 received from or credited to member States³ totalled 160,972,586 Swiss francs, which represented 45.0 per cent of the contributions assessed. For the same period in 2000, 59.1 per cent of the 2000 contributions had been collected. At 26 October 2001, 87 member States had settled their 2001 contributions in full, 21 member States had made partial payments while 67 others had made no payments against 2001 contributions. This compared with 82, 11 and 82 member States in the same situation respectively as at 31 October 2000.
4. Arrears of contributions received in 2001 to 26 October 2001 totalled 127,736,425 Swiss francs, bringing total contributions collected in 2001 at 26 October 2001 to 288,709,011 Swiss francs.
5. At 26 October, 19 States (Angola, Burkina Faso, Cameroon, Cape Verde, Chile, Costa Rica, Democratic Republic of the Congo, El Salvador, Grenada, Guyana, Honduras, Latvia, Mali, Nicaragua, Nigeria, Panama, United Republic of Tanzania, Uganda and Ukraine) had made payments against their 2002 contributions.

Position in relation to paragraph 4 of article 13 of the Constitution

6. Table 2 shows that, on 26 October 2001, the arrears of contributions of Afghanistan, Antigua and Barbuda, Armenia, Azerbaijan, Bosnia and Herzegovina, Chad, Comoros, Congo, Djibouti, Equatorial Guinea, Gambia, Georgia, Guinea, Guinea-Bissau, Iraq, Kyrgyzstan, Lao People's Democratic Republic, Republic of Moldova, Paraguay, Sao Tome and Principe, Sierra Leone, Solomon Islands, Somalia, Tajikistan, The former Yugoslav Republic of Macedonia, Togo, Turkmenistan, and Uzbekistan equalled or exceeded the amount of the contributions due from them for the past two full years (1999-2000). Each of these member States had therefore lost the right to vote, in accordance with the provisions of paragraph 4 of article 13 of the Constitution of the Organization, subject to the special arrangements described below.
7. Albania, Belarus, Cambodia, Cape Verde, Central African Republic, Democratic Republic of the Congo, Dominican Republic, Kazakhstan, Latvia, Liberia, Poland, Ukraine and Viet Nam are permitted to vote in accordance with paragraph 4 of article 13 of the Constitution of the Organization under financial arrangements approved by the International Labour Conference at its 81st (1994), 86th (1998), 82nd (1995), 85th (1997),

¹ The original assessment of Sw.frs.357,614,550 has been adjusted to reflect the change in the assessment rate between the Federal Republic of Yugoslavia and the Former Socialist Federal Republic of Yugoslavia.

² Including Sw.frs.3,254 assessed after the adoption of the budget on Kiribati, which joined the Organization on 3 February 2000.

³ Amounts credited against 2001 contributions represent the distribution to eligible member States of incentive scheme credits and net premium earned in prior periods. Details are given in footnote 1 to table 1.

89th (2001), 89th (2001), 85th (1997), 88th (2000), 87th (1999), 88th (2000), 75th (1988), 88th (2000), and 81st (1994) Sessions respectively.

Working Capital Fund

8. The nominal level and the cash level of the Working Capital Fund at 26 October 2001 both stood at **35 million Swiss francs**.

Possible transfers within the 2000-01 expenditure budget

9. Article 16 of the Financial Regulations provides that transfers from one item to another in the same part of the expenditure budget may be effected by special resolutions of the Governing Body.
10. At this stage it is not possible to estimate accurately and in detail the final level of expenditure under each budget item; it is possible, however, that for some items, expenditure may exceed the budgetary provision, offset by savings under other budget items. The specific items between which transfers might need to be made and the exact amounts will be known only when final expenditure figures are available at the end of January 2002; the Director-General, following the usual practice, therefore proposes to submit a detailed list of any necessary transfers to the Chairperson of the Governing Body for his approval at that time.
11. *The Committee may wish to recommend that the Governing Body authorize the Director-General to submit proposals for any necessary transfers within the 2000-01 expenditure budget to the Chairperson for his approval, in accordance with the usual practice, prior to the closing of the 2000-01 accounts in January 2002 subject to confirmation of such approval by the Governing Body at its 283rd Session (March 2002).*

Geneva, 31 October 2001.

Point for decision: Paragraph 11.
