

FIRST ITEM ON THE AGENDA

**Approval of the minutes of
the 284th Session of the
Governing Body**

1. The minutes of the 284th Session were distributed to allow members who wished to make corrections to submit these to the Office.
2. At midday on 15 November 2002, the following correction had been received:

Sixth item on the agenda: Special technical cooperation programme for Colombia

Last paragraph, page 8, continuing on page 9.

Replace the second sentence: “While it was clear that the new Colombian Government was firmly committed to countering the problem of impunity, the dreadful loss of life resulted partly from a lack of resources” by: “She stressed the firm and constant commitment of the Colombian Government to provide the means to improve the struggle against impunity. It was regrettable that it had been impossible to prevent the losses of life, or kidnappings, in many instances because of the lack of financial resources for the protection funds intended to protect the physical integrity of the trade union leaders and their families.”

3. ***Subject to the above correction, the Governing Body may no doubt wish to approve the minutes of the 284th Session.***

Geneva, 18 November 2002.

Point for decision: Paragraph 3.
