**The United Nations System Chief Executives Board (CEB) for Coordination – Statistical report on the budgetary and financial situation of organizations of the United Nations system**

The report<sup>1</sup> of the CEB (formerly the Administrative Committee on Coordination (ACC)) on the budgetary and financial situation of organizations of the United Nations system contains information concerning the ILO which is already familiar to members of the Programme, Financial and Administrative Committee. In the interests of economy the report is therefore not being distributed with this note but as in the past the Director-General is holding a limited number of copies at the disposal of members of the Committee.
